# OUR CORPORATE RESPONSIBILITY

## SKILL CENTER FOR GIRLS

At Ambica Steel, we believe in giving back to the community and making a positive impact in the lives of those around us. That's why we're proud to announce our CSR activities, which focus on education and healthcare. Through our CSR wing, we are providing free education to girls in English and computers, giving them the tools they need to succeed in today's world. Our goal is to empower the next generation of women and give them the opportunity to reach their full potential. In addition to education, we also run a charitable dispensary, providing free healthcare to those in need. At Ambica Steel, we believe that every individual deserves access to quality education and healthcare, and we are committed to making a difference in the lives of those in our community.
